The Hidden Cost of Education...

**THE PRICE OF
STUDENT SUCCESS**

This article is not about assignments, curriculum or teachers. Instead, it's about why we are expected to spend money in order for our kids to be successful. It's a sad state of affairs that we need to throw money into nonsense items in order for our kids to receive an "A."[Read More](#)

What Community Members Wrote to the BOE About

COMMUNITY CORRESPONDENCE TO THE BOARD JANUARY THROUGH MARCH 2023

Last year the BOE stopped reading Board Correspondence at BOE Meetings, robbing the community of important perspectives from parents, students, and teachers. This year the BOE stopped including this correspondence as part of the minutes, only orally reporting on the correspondence and often with a spin on the subject matter.
