Sai Bhargavi Akiri

Sai's Remarks During Public Comment Portion of 10/12/2023 BOE Meeting

In this clip, Ms. Akiri again asks questions on the cost of Dr. Varley's case and whether she will be expected to reimburse the District for her legal fees, given that she ultimately admitted to

violating the policy. She also asks pointed questions about whose interests the District's firm represents....[Read More](#)

BOE Candidate Responses to Local Media Questions

[My Responses to TapInto-Part 1](#)

As a Program Manager with 20 plus years of project management experience in strategy and planning, my role as a program manager is to manage multi-million dollar program budgets and enlist approvals from diverse groups of stakeholders....[Read More](#)

[My Responses to TAPInto Questions](#)

I work in an environment where different ideas are shared, and feedback is solicited. I also work in a very regulated industry where you can't cut corners and decisions are based on analyses taking all risks into consideration. This is the mindset that I will bring to the BOE....[Read More](#)
