[Preliminary Results on 2023 Proficiency for the Berkeley Heights Public School District- Math, Science, ELA and Algebra I](#)

Results on the NJSLA have become recently available. Here is the text of the email I sent to the Board of Education on this data. I looked at the raw data on the NJSLA results for Spring this year and completed a year-to-year comparison.....[Read More](#)

The 12/14/2023 BOE Meeting - Gaslighting, Gate Keeping and Phantom Resignations

[Board Games: Not What We Had on our Holiday Wish List](#)

The Berkeley Heights BOE may be taking advantage of having a new Business Administrator in place, who has not yet had time to review past BOE actions, or they may merely be doing what they do, which is ignoring any and all policy, law, guidance and public comment with which they

disagree. It's more 'full steam ahead and damn the consequences'...[Read More](#)

[Shauna's Notes on the 12/14/2023 Berkeley Heights BOE Meeting](#)

After the regular report, Mr. Juskievicz gave information about RFPs based on questions from the previous meeting. The ability of the board to select firms for professional services was never in question. The statements and questions from the previous meeting were with regard to the RFP process, specifically. In order to issue the RFP, the board should have held a vote on the matter. ..[Read More](#)

[12/14/2023 Berkeley Heights BOE Meeting Agenda: Laura's Notes](#)

Changes would give **sole authority to the president** to appoint members and, essentially, **make up committees as he or she sees fit**. This could be a problem as it takes away power from the board as a whole.[Read More](#)
