Sign The Petition to Protect OPRA

Stop NJ State Sen. Paul Sarlo From Destroying OPRA & Ushering in An A...

Senator Paul Sarlo is Sponsoring a Bill that Would Destroy the Open Public Records Act. According to the Jersey Vindicator, some of the Provisions of this Bill include: -The bill guts fee-shifting by making it discretionary, not mandatory, which will make it difficult for requestors who are denied records to find lawyers to represent them to...

What's Important to Know About NJ This Week – 03/09/2024 – Defend the Open Public Records Act

We will take a different approach with this week's State Matters and focus on bills from State Assemblyman Daniels and State Sarlo that seek to destroy OPRA....[Read More](#)

BHPSNJ Transportation Presentation Leads to More Questions

More Questions on The Berkeley Heights Public School Busing Controversy

The long awaited transportation presentation was provided to the public and the Board at the 2/26/24 meeting. Inconsistencies with our current transportation program were the key takeaway....[Read More](#)

Community Feedback On Tree Ordinance

[Resident Comments on Tree Ordinance & New Rules on Correspondence to the Town Council](#)

I want my neighbor to keep his trees the way they are. He wants to cut some of them down. So we had a little discussion and this is what happened.....[Read More](#)

Dr. Varley's Social Media Post Confirms What We Already Knew

[Parent Expresses Concerns About BHPSNJ Superintendent's Social Media Post](#)

Just as your approval for your extended leave before your resignation was approved, you posted a unique image and caption on your Facebook page which was shared with me. I have shared the screenshot below, from last week, so everyone can see what you find to be entertaining...[Read More](#)
