

## Berkeley Heights Schools Improved But Still Behind 2019 Numbers

**2022-2023 7-District Dashboard District Wide Comparisons- Better But Not Good Enough**

While Berkeley Heights made gains in all three areas (English Language Arts, Math, and Science), the District is still below where it was during the 2018-2019 school year and remains close to the bottom on math....[Read More](#)

**2022-23 N.J. School Performance Reports Released- Berkeley Heights is Back?**

Each year, the New Jersey Department of Education releases its School Performance Report. [According to its release on Patch.com](#), “school districts are scored from 0 to 100 based on factors like standardized test scores, student academic growth and graduation

rates, among other metrics.” Higher scores are better.. ...[Read More](#)

## Another BOE Member Expresses Concerns about Proposed BHPSNJ Transportation Policy

A third Berkeley Heights Board of Education member has replied to BHCW's questions about the Policy Committee's transportation policy and the process surrounding its development with concerns...[Read More](#)

## OPRA Still In Danger, Update on the Line

## State Legislators Are Going After the Open Public Records Act a THIRD Time in Six Months

If these bills pass, NJ would have one of the worst OPRA laws on the books, and the ability of the public and good government groups to obtain documents needed for proper oversight would all but disappear....[Read More](#)

## What Berkeley Heights Residents Should Know About "the Line"

The Line refers to an inherent Ballot design structure unique to NJ that lists candidates according to an endorsed slate versus according to the office they seek. A typical primary ballot design in other states lists candidates according to the office they are seeking...[Read More](#)
