A man in a light blue shirt and khaki pants stands on the left, writing on a chalkboard. A young girl with braids, wearing a white shirt and yellow pants, stands on the right, looking at the board. The chalkboard is covered in various mathematical formulas, including algebraic equations like $x^2 + 5x + 6 = 0$, $2x - 3 = 7$, and $x = 10$, as well as geometry formulas like $A = \pi r^2$, $V = \pi r^2 h$, and $\sin^2 \alpha + \sin^2 \beta = \sin^2 \gamma$. There are also diagrams of triangles and circles. The background is dark, and the text is white.

Laura's Notes

Laura's Notes on the 10/17/2024 Berkeley Heights BOE Meeting Agenda

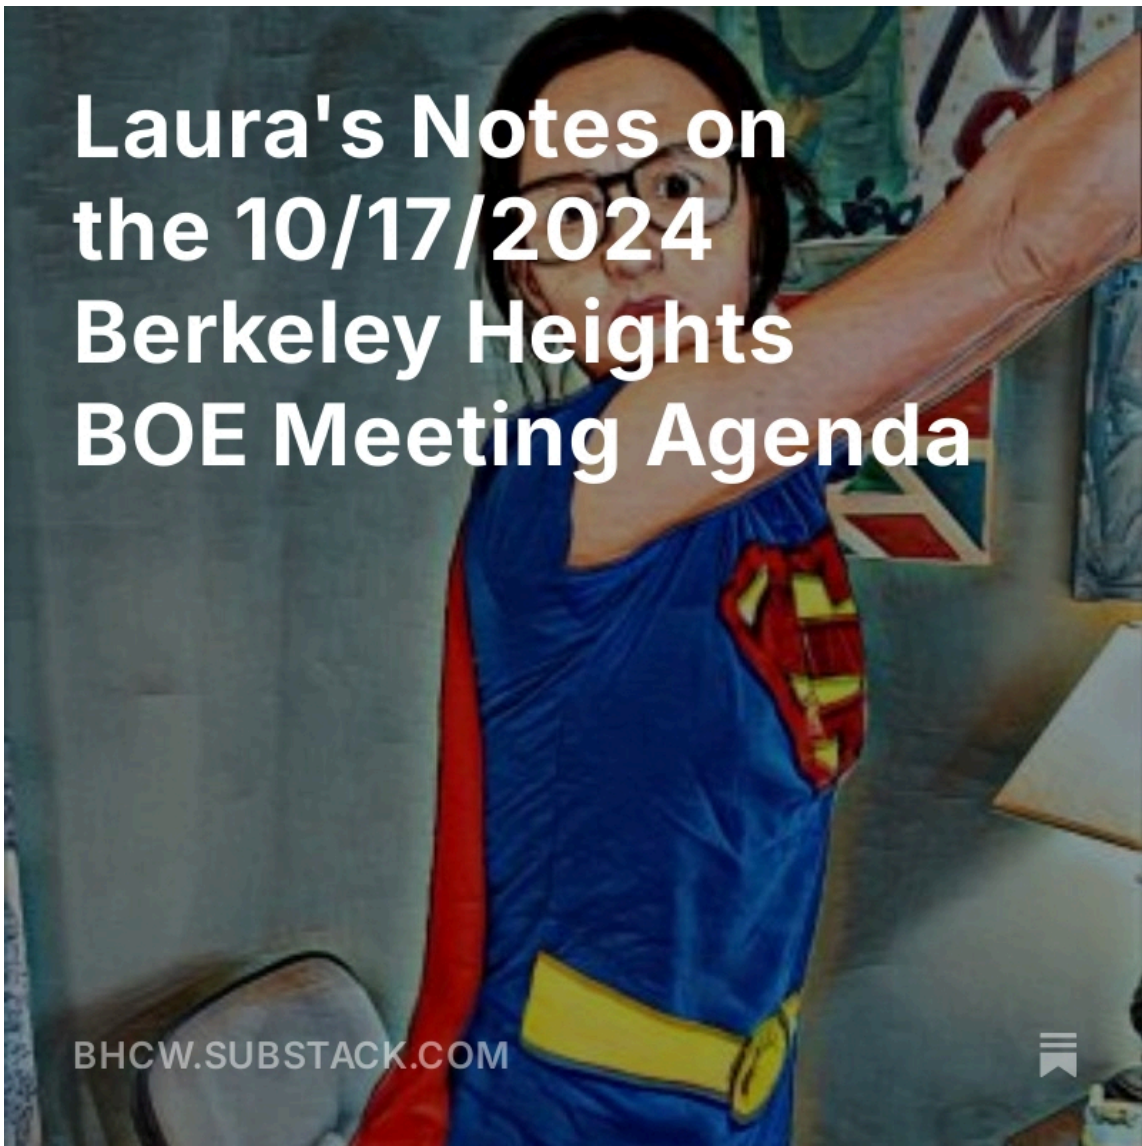

Image of the Week

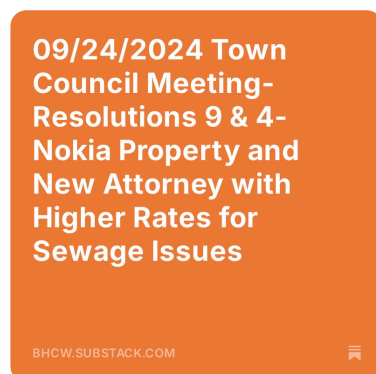

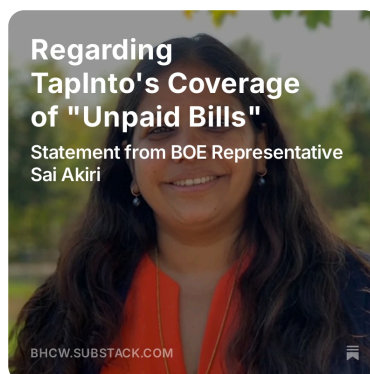

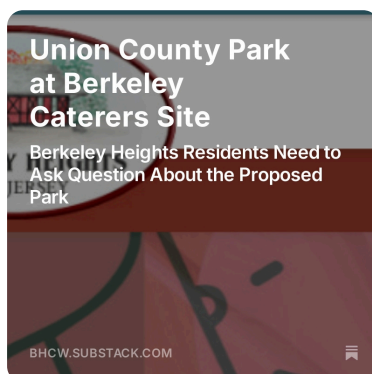

Yesterday at the NJSBA annual retreat, the former head of the SEC's ethics commission, Kathryn Whalen, said if a school board member is related to a town council member they need to recuse themselves from any votes on contracts and shared services with the township.

She also said any citizen can request an advisory opinion if such a situation arises .

This leads to significant questions on whether BOE Candidate George Devanney can deliver on his campaign promise to deliver a Turf Field his wife (The Mayor) and the Chair of Recreation (who signed his petition) have advocated for without releasing details to the public.

we are NOT laughing our asses off right now...this is serious you guys.
